MT. VERNON MAN INDICTED FOR DISTRIBUTING CRACK COCAINE

Randy G. Massey, Acting United States Attorney for the Southern District of Illinois, announced today that on February 7, 2007, **MARCUS T. MOORE**, age 23, of Mt. Vernon, Illinois, was named in a four-count Indictment returned by a Federal Grand Jury sitting in Benton, Illinois. Moore was charged with four counts of distribution of crack cocaine. The offenses are alleged to have been committed between June 2005 and October 2006.

With respect to each of the four counts, **MOORE** faces a penalty of up to 20 years' imprisonment, a fine of up to \$1,000,000, and a term of supervised release of at least 3 years.

An indictment is a formal charge against a defendant. Under the law, a defendant is presumed to be innocent of a charge until proved guilty beyond a reasonable doubt to the satisfaction of a jury.

The investigation in this case was a cooperative effort between the Joint Narcotics Unit of the Mt. Vernon Police Department and the Jefferson County Sheriff's Department, and the Drug Enforcement Administration, pursuant to their participation in the Project Safe Neighborhoods Initiative.

Project Safe Neighborhoods is a joint and cooperative effort of the United States Attorney's Office, the Jefferson County State's Attorney's Office, the Drug Enforcement Administration, and other federal, state, and local law enforcement agencies directed at removing guns and drugs from our communities.

The case is being handled by Assistant United States Attorney George Norwood.
